Fall 2009 Registration Update Forms and Orientation Sign-Up For Greek Registered Student Organizations (RSO)

In addition to submitting the RSO Update Form (http://www.osi.sdes.ucf.edu/clubsorgs/rso_regsystem/main.html) in the fall (**must be entered on-line by September 2, 2009 and turned into F&SL by September 4**) and spring semesters, each RSO must annually (based on the **academic** calendar) attend an orientation in order to gain registration with OSI. Orientations will address topics like publicity, event planning, fundraising, taxes, SGA funding, and more.

IMPORTANT FOR GREEK ORGANIZATIONS YOU MUST PRINT OUT YOUR CHAPTERS'S UPDATE FORM, OBTAIN ALL SIGNATURES AND RETURN THE FORM TO FRATERNITY AND SORORITY LIFE. F&SL WILL SUBMIT THE FORM TO OSI FOR YOUR CHAPTER AFTER IT IS SIGNED BY THE F&SL DIRECTOR NO LATER THAN SEPTEMBER 4, 2009.

Organizations should attend an orientation as soon as possible, as groups are registered ONLY after OSI receives the completed hard copy of the Update Form and a current, eligible officer attends orientation.

Organizations should send at least one **current** (as indicated on the Update Form), **eligible** (as indicated by the Golden Rule) officer, but are encouraged to send more. Since the content of orientation is similar from year to year, organizations should consider sending new officers or officers that have not attended in the past. If your organization receives credit for attending a session in the fall, it will not have to attend a spring orientation. However, groups that elect new officers in the spring and have received credit for attending an orientation in the fall are encouraged to send a newly elected officer to a session. Advisors are always encouraged to attend.

You must register on-line for the below orientation sessions at:
